New News

Another new arrival as we head into our busy season!

Our usually quiet spell through the winter months into spring has been anything but, and we anticipate this summer to be our busiest ever. This month we have taken arrival of another addition to our fleet, this time a brand new DAF, VDL luxury 53 seater. This is the second brand new vehicle purchased by Masons, but the first we have had built to our own specification. We hope you'll enjoy travelling in style on some of our trips this year.

We are already starting plans for our brochure for next year, so if there is any places you would like to visit, please let us know.
